

NON-MEMBERS / MEMBERSHIP of MULTIPLE U3As POLICY of BURNTWOOD and DISTRICT U3A

Attendance at up to TWO events is permissible before a non-member must join the u3a.

Insurance cover is only provided for this trial period.

If a non-member continues to attend u3a events and activities beyond the two permissible, then our insurance may be compromised. Group Leaders can help to check that members of their groups have current membership.

It is good practice for all members to bring their membership cards to all u3a events.

Any-one who is already a member of a different u3a, can join for a reduced fee. Current charges will be supplied on request.
